OPENING TIMES

Entrance to the Castle is divided into timed slots.
Please refer to your ticket for your entry time.

Grounds Open: 9.30am

Tea Rooms and Gift Shop: 9.30am – 5pm

Grounds close: 5.30pm

TEA ROOMS

We have three Tea Rooms on site, all of which serve a variety of hot and cold drinks, cakes, snacks and sandwiches. Hot food is served from 12noon until 2pm.

DISABLED ACCESS

The Gardens, Tea Rooms, Egyptian Exhibition and Gift Shop are all accessible with a wheelchair. The majority of the Castle is wheelchair friendly.

However, as there is no lift to the first-floor bedrooms, we provide a photographic album of these rooms to view downstairs. Please note, there is no use of motorised wheelchairs in the Castle. If you reserved a manual wheelchair, please collect and return at Visitor Reception.

TOILETS

There are two toilet blocks on site. Disabled toilets and baby changing facilities are available in the toilet block near the Coach House.

PLEASE NOTE:

Photography is not permitted inside the Castle or Exhibition; however, we do welcome photography in our gardens for personal use.

Pushchairs are not permitted in the Castle but can be left at the front entrance (subject to space available and left at the owner's risk).

We do not allow large rucksacks into the Castle. Please enquire at our Visitor Reception for our storage area (subject to space available and left at the owner's risk).
