- *How do I book a group visit if I don't have an existing coach group login?*

You will need to have a Coach Visit login in order to book a visit. Please visit the Coach Visit Registration page and select the ['Click here if you don't have a Contact ID'](#) button. This will send a registration request to the Castle office administration team who will be in touch with your contact ID. Once you receive your allocated ID you can then return to the Coach Visit registration page and enter your unique ID. Once logged in please follow the onscreen instructions to update your missing account information such as address and contact number etc. You can then proceed to 'Book a new visit'.
